

HOME DECOR PACKAGES

Each package is tailored to where you are in the decor process. Our process allows you to upgrade to any package when you are ready!

THE DIRECTION: \$105

Need a little décor advice or some helping planning tips for getting your project off the ground? This package is just right for you. During this consultation we take a tour of your space and talk colors, styles, tips, and more. Don't start shopping without having some direction for your project. With some strategic planning and our mini custom style guide, you will feel empowered to start your project.

THE VISION: \$165

Not really ready to start your project but would like to see the potential of your room? Or are you familiar with the style and feel you want for your space but just need to see how to arrange your space? The Vision Package is for you! Our team will provide a vision for your room to help spark inspiration! If you need more help, no worries, you can upgrade to any package!

THE STYLE: \$215

Struggling with decor styles? Need to learn or create your own unique style? The Style Package is for you. Our team will guide you in creating a uniquely alluring style and provide a custom design to assist you in unfolding a vision for a charming AMBIANCE.

THE AMBIANCE: \$335

Want your style to flow from room to room? The Ambiance package is for you. Our team will help you create a stunning cohesive look across multiple rooms on your main floor. Photorealistic images and virtual tours will provide a picture perfect AMBIANCE for the home of your dreams.
